Veterinary assistance pricelist

How to use this guide

This guide includes the **prices that apply to the veterinary assistance services** included in the **Caser WeCAN Check** Insurance.

To facilitate their location, we have placed them in alphabetical order. You just need to look for the service you require, alongside which you will see the **fixed price that is charged in all authorised veterinary centres**.

Please remember that **for requesting emergency services, during the day and at night, you are required to call the following telephone numbers: 902 10 23 09 - 93 550 90 36**.

Thank you for the trust deposited in us.
